

Primary 6/7 Weekly Learning Grid: Wednesday 24th June

On the first page there is information about our remote learning programme and the other apps we have suggested. Below this you will find this week's learning activities; we have made this final grid a bit shorter. We hope you enjoy the fun activities. This can be dipped into, when you have the time, and there is no expectation that all tasks are completed. Only do what you feel you can do. If you have any queries at all, teachers can be 'tagged' for help on our Teams pages using @. We love to hear from you and we're always happy to see what you've been up to!

Look out for our ECO challenge from Mrs Owens and the ECO team which can be found at:

Weekly Learning Activities

Literacy- Writing

A letter to my new teacher....

Write a letter to your new Class Teacher or your new Pupil Support Teacher at secondary.

Tell them all about yourself. Your likes and dislikes. Your strengths and/or areas you need to work on. Include your hobbies and interests. Can you think of anything else staff might want to know about you?

You could always give your teacher the letter when schools go back or share it with them on teams.

'My summer bucket list!'

What are your plans for the summer?

You can use the attached template or you can design your own bucket. Please 'fill your bucket' with things you hope to be able to do during the school summer holidays. We know this summer might be quite different from previous years. We look forward to seeing your 2020 summer plans. 😊

Health & Wellbeing

Troqueer School and Nursery Family Virtual Walking Challenge

Mrs Law has set a walking challenge for the whole school.

We will be walking the **Castles of Scotland** route together on www.WorldWalking.org

There is a Troqueer Primary School and Nursery group set up.

You will need to join the group by first registering your family on the website then join the group.

I.D.L

To finish off our 'food' I.D.L. topic, you will be cooking/baking this week.

It is up to you what you make. You could make lunch for your family or even bake some cookies for a neighbour.

Remember to be careful and have adult supervision!

Write out the recipe and instructions, as well as a picture of the finished project, and post it on Teams or in a Glow Form.

PLL(French)

Listen to this funny French song and make your own Pizza costume from things around the house. Post a photo or video on Teams if you have permission from an adult. You could use cardboard/paper/anything really. The funnier, the better
